

Muhammad Qurat Mehdi

Quality Assurance Engineer

Phone: 03242-194856 | Email: mquratmehdi@gmail.com | Address: Saadi Town Block 7 KHI

Professional Summary

Detail-oriented Software Quality Assurance Engineer with hands-on experience in manual and API testing. Skilled in writing and executing test cases, defect tracking, and collaborating within Agile/Scrum environments. Proficient in using tools like Postman, JMeter, and Microsoft 365. Passionate about ensuring product quality, functionality, and user satisfaction.

Work Experience

Quality Assurance Intern — The Aria International (Feb 2025 – May 2025)

- Performed manual testing to ensure application quality and functionality.
- Conducted API testing using Postman to validate endpoints and analyze responses.
- Created and executed detailed test cases for functionality and usability verification.
- Reported and tracked bugs, collaborating with developers for timely resolution.
- Participated in Agile sprints, daily stand-ups, and maintained comprehensive documentation.

Certifications

Software Quality Assurance Certification — 10 Pearls University, 2025

- Acquired expertise in manual software testing methodologies and best practices.
- Designed, executed, and documented test cases, test scenarios, and test data.
- Performed defect tracking and bug reporting using industry-standard tools.
- Applied QA process implementation aligned with SDLC and Agile frameworks.
- Gained foundational knowledge of automation concepts to complement manual testing.

Introduction to API Testing with Postman — 10Pearls University, April 2026

- Successfully completed coursework focused on API testing methodologies and practical applications using Postman.
- Demonstrated notable performance in configuring, executing, and validating API requests.

Awards & Achievements

- **Certificate of Appreciation** — The Aria International (May 2025)
 - *Awarded by management in recognition of consistent dedication and impactful contributions during the Quality Assurance internship.*

Skills

- Manual Testing, API Testing (Postman), JMeter, Test Case Design, Bug Reporting

- AI Tools: Claude AI, Gemini pro, GitHub Copilot
- Tools: Visual Studio Code, Postman, Excel, PowerPoint
- Soft Skills: Communication, Problem-Solving, Collaboration
- Languages: English, Urdu

Education

BS Computer Science — Dawood University (2022 – 2026)

Pre-Engineering — Fazaia Degree College Faisal (2022)
